

CEDAR MOUNTAIN WILDERNESS

Regulations

Please adhere to the following requirements during your visit:

Camping or Backcountry Travel

- Permits are NOT required for backcountry travel or camping.
- Campers are limited to 14 days within a 28-day period.
- You must pack out everything you bring in.
- Use existing trails and campsites whenever possible.
- Let someone know where you are going and when you plan to return.

Campfires

- Be aware of wildland fire danger and restrictions. Campfires may be prohibited during certain times of year due to extreme fire conditions. Fire restrictions will be posted.
- Do not leave your campfire unattended and make sure it is dead-out before you leave. Scatter your fire ring and bury the ashes.
- Woodcutting is not allowed. Collect dead and down wood only. Cutting or defacing live plants or trees is prohibited.

Water

- Water is extremely scarce in the Cedar Mountains. Do not rely on natural sources. You must carry all your water. During hot weather months, plan on at least 1 gallon per person per day.

Pets

- Pets are welcome, but must be kept under control. Do not allow your pet to harass wildlife or wild horses. You must clean up all solid waste from your pet.

Motorized Vehicles

- Motorized vehicles and bicycles are only permitted on open, existing routes along the wilderness boundary.
- Do not take motorized vehicles, motorized tools, and bicycles inside the wilderness area.
- Obey all route closures.

Firearms

- Hunting and shooting are permitted in the wilderness area.
- Use paper targets only. Do not shoot appliances, computers, or television sets.
- Carry out all spent ammunition casings.

Fireworks

- Discharge of fireworks is prohibited on all public land.

Report violations or unsafe conditions in the wilderness area to:

Salt Lake Field Office
